Comment on FR Doc # 2015-14921

Submitter Information

Name: Dani Boren

General Comment

We have worked hard and have enough saved to retire. We shouldn't have to support other people who haven't been smart enough to save for themselves. My hell quit handing out free money to people who have no ambition other than to mooch off of everyone else. If they have no ambition to better themselves, that's not our fault! Don't punish us, for there laziness!!!
